June 1, 2007

BALTIMORE - US Lacrosse has announced the rosters for the National Senior Showcase, an all-star game for some of the top high school senior boys' lacrosse players from around the country. The US Lacrosse National Senior Showcase will take place on June 23 at Dick's Sporting Goods Park in Denver.

The NSS features four teams - East, North, South and West - that will compete in a bracket format for the championship. Players representing 24 states will be competing in the event this year. The East team won last year's title with a 13-7 victory over the North in a game held in St. Louis.
